Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Tuesday 13 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Bright and sunny spells. Cloudier on the west coast.

This Evening and Tonight:
Any isolated showers soon dying out to leave a dry night with clear periods. Still some patches of mist and low cloud, mainly over Caithness and around the west coast. Minimum temperature 10 deg C (50 deg F).

Wednesday:
Most places will be dry with plenty of warm sunshine. Dull, misty conditions with a little drizzle will edge into West Coast in the afternoon and evening. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
High pressure will maintain mostly dry, settled weather over the next few days with plenty of warm sunshine. However some mist and low cloud will affect West Coast at times.
